MEMORANDUM:

Mr. Hume.

Application for patent,
Mr. John Richard Watson,
For the S.W.¼ of 21-29-20, W.4th M.
Homestead.
Recommended.

Mr. Watson made entry for the above land on the 9th of October, 1911, and stated in his application for entry that there were improvements on the above land at that time consisting of three acres of breaking and a well valued at $15.00, which amount he paid. There is a report on file from Homestead Inspector dated the 18th of May, 1911, which corroborated the statements of the applicant regarding the improvements which were upon the above land at the date of entry.

On referring to the file in connection with the South half of Section 20, Township 29, Range 20, West of the 4th Meridian, there is a report from Homestead Inspector Battie dated the 27th of July, 1911, which stated,

> "The 8 acres of breaking referred to in your letter is on the East side of the South West 21-29-20, W. 4th and not on S.E. 20 as stated and was done by O.E.DeBeese value $32.00."

In view of this report on the 16th of November, 1917, Mr. Watson was informed that it would be necessary for him to pay the balance of $17.00 before the application could be dealt with.

A letter has now been received from Mr. Watson in which he states,-

> "I payed when f ling entry for 4 acres breaking and a well which was not there. I payed either $15.00 or $25 besides entry fee and have Calegary receipt to show for it."

In view of the conflicting statements of the Inspector, please say if the Agent should be instructed to obtain another report from the Homestead Inspector and ascertain what improvements were upon the South West ¼ of Section 21, Township 29, Range 20, West of the 4th Meridian, at the time Mr. Watson entered entry.

until now in order to get definite evidence as to the value of the improvements when Mr. Watson made entry.

The latest attachments to the file are three statutory declarations which are to the effect that the improvements upon the land when Mr. Watson made entry were less than seven acres of plowing which had two or more crops taken off it. No value is placed on this work, but Mr. Watson claims that this plowing has been a constant source of expense and loss owing to the fact that the previous entrant had seeded it to timothy.

Owing to the impossibility of getting definite evidence as to the actual value of the improvements in question, and in view of the fact that no application for a refund has been made, I would suggest that the application be dealt with without calling upon Mr. Watson to make any further payment.

Respectfully submitted,

LEH.

MEMORANDUM

S.W.¼ 21-29-20-W. 4th M.
Homestead of John Watson.
Entry granted 9th Oct., 1911.

The question to be decided in this case is whether the entrant should or should not be called upon to pay an additional sum for the improvements which were on the land when he made entry.

The sum already paid by Mr. Watson in this connection is $15.00. When Mr. Watson made entry he claimed that the only improvement upon the land consisted of three acres breaking, worth $15.00.

A Homestead Inspector had visited this land previous to the time Mr. Watson made entry and in a report dated the 18th May, 1911, set out that the improvements thereon at that time consisted of three acres of breaking worth $15.00 and a well worth $2.00, total $17.00.

Quotation from report:-

"I could find nothing on this land. The breaking was done in error by homesteader on S.E.¼ of Sec. The well was also put on by this man."

The report, you will notice, is somewhat ambiguous.

In a report dated the 27th July, 1911, furnished by Homestead Inspector Baptie, reads as follows:-

"The 8 acres of breaking referred to in your letter is on the East side of the South West 21-29-20-4 and not on S.E. 20- as stated, and was done by C.H. DeBeese value $32.00.

This report is attached to file 1871936 herewith, marked.

Mr. Watson applied for patent on the 10th April, 1917, and final action has been delayed until

I have laid the matter before you correctly according to my knowledge received from neighbors.

I received your address from Mr. Fred Stevenson of Winnipeg.

I cannot at present give you the value of the houses as my son departed this life before I reached Provost, and one of the neighbors kindly brought his body in. My daughter was at the place where he died, near his own land, but of course she has little idea of the value of buildings. I at present intend going out there in the spring or summer, when I would be able to give you a more intelligent account of the value of improvements already made, and I am anxious to get material on the ground in order to build a barn and granary. I have also spoken for wheat and oats to sow the land.

My son bona fide intended to make that section his future home, and went out there when there was almost no one living within miles of his place, although there are neighbors now within six miles of this land.

An early reply will greatly oblige,

Yours very truly,

HOUSTON & CLARK.

W. H. Greenway, Esq.,
Commissioner Crown Lands,
O T T A W A.

Dear Sir:-

My late son William M. Houston, departed this life in Alberta on the Thirty-first day of October last. He had purchased a South African scrip for which he paid $750.00, and with it made an entry on the West half of Section Three Township 31, Range 6, W 4th Meridian, dated the Seventh day of April A.D. 1910 at the Dominion Lands Title Office, Calgary, Alberta, Interim receipt No.83828. Then he took homestead and pre-emption I think it is called. Interim receipt form "D" at the top on the right hand corner No. 86712, then a little below, No. 35299 North East quarter of Section 3, Township 31, Range 6 W 4th Meridian. Then an entry for the South East quarter Section 3, Township 31, Range 6, 4th Meridian, all of the same date.

On the last two he seems to have paid $10.00 each office fee, and the receipt is said to be in accordance with the provisions of the Dominion Lands Act applied in the form "A" supported by Affidavit in form "B", one said to be homestead and the other pre-emption.

Now he had no wife nor children and according to the laws of Alberta I am his sole and only heir, being his father. He went on that land at once and erected a house on the West half and also on the East half section. He plowed on each half section

2305390

Fifteen acres, thirty in all, and plowed around the whole section a fire guard. Now can I go on and do the duties and crop the lands according to the Statutes and make title to the lands. The homestead part I see I can, but with reference to the South African scrip I do not know whether it is exactly the same or not, but I presume it is.

I would like to make title to this land, not so much for the value of it, but for the reason that my son did so much work on it, and having departed his life out there I feel that I would like to make title to it in some way.

I have paid all his debts as far as I have received accounts, and all I believe excepting a store bill and a bill for lumber, but I have not yet received the accounts, but I have written for same and hope to have them soon and to pay them, and any other honest debts held against him I certainly will pay.

Now I would like to put in crops this next spring on the thirty acres already plowed, and have a large amount of plowing done so as to put in crops the next year. It would be difficult for my to live on the land for any length of time, but if I am right in my construction of the Statute it is not necessary for me to do so.

I am offered by parties living out there to do work for me, and I am told there are parties who would like to live in the houses. As quickly as I know my position I can allow them to do so, while they are building their own houses near by, but I do not wish to do anything until I know my position fully.

Dear Sir:- - re W. H. Houston Estate. -

I have so far not succeeded in receiving Letters of Administration for the Province of Alberta. I am expecting same by every mail, but to avoid mishap I wish now to apply for an extension of the time for receiving same.

In your letter of January 5th, 1911, you gave me sixty days to furnish the necessary papers in connection with the Administration, or satisfy the Department that the same are in the course of preparation.

I thought best to place what I have done towards Letters of Administration in the shape of a Declaration, and I trust that the Declaration that I now enclose will show that I am making every endeavor to obtain Letters of Administration.

The Affidavits left here on the 28th of January last, you will see by my declaration, that the Solicitors who are acting for me in Calgary wrote a letter dated the 14th of February in which they stated that they expected to make the Application on the 15th of February.

I am writing them to-day stating the urgency of

It is noticed that there is a house and fifteen acres of breaking on each half section, and arrangements have been made to have 100 acres of breaking and 30 acres cropped during the coming season. had he lived an endless pity
my last summer. His is no use and
me no get money, on an already mortgaged
farm. Owned that be any way in which
we three sisters could prove up on our
patent without the expense of going west to
appear before a local agent? I don't see
how we can could get the money for such
a trip this summer. We could get the
sworn statements of two or more witnesses as
to what has been already done on the land,
and a copy of the affadavit our father made
about the home, when he applied to have
the lands transferred to him when our
brother died.
Also what must my sisters and I do to
have the lands transferred to us as our
father's heirs? We were so glad to have
your letter and thank you very much for
your prompt reply. We do hope we can
get our patent without spending any more
money as my father has already spent a
great deal in having land broken, granary built,
etc. He died so, and never got over his expenses.
Yours truly, Jessie Hamilton.

Dear Madam,-

I have your letter of the 14th instant, regarding the S.E.¼ 3 31--6--W. 4th M. and the W.½ 3--31--6--W. 4th M., the homestead and Volunteer Scrip of your brother, William N.Houston, deceased.

I regret to hear of the death of your father, who was appointed the administrator of your brother's estate.

SENT
L. B.

It will now be necessary for the heirs to secure from the proper court Letters of Administration of that part of your late brother's estate which has not already been administered.

This is a matter about which it will be necessary for you to consult your lawyer.

Perhaps if you are not aware of what has been done upon the above mentioned parcels of land in the way of settlement duties, you might have someone who is conversant with the facts in this regard fill in the forms and send them to me or to the Department here.

When this information has been received, the Department will be in a position to advise you whether the requisite settlement duties have been completed, or if not, what is still required to be done before the person who is appointed to administer what is left of the estate can successfully apply for a patent.

If

Miss Jessie Houston,

Chatham, Ontario.

If the person who is appointed administrator lives in Ontario and does not wish to appear before the Agent or Sub-agent of Dominion Lands for the district in which the land is situated, he or she, as the case may be, may receive permission from the Minister to make his application before a notary public or some other authorized person in Ontario, after the latter has been duly authorized by the Minister to act in the matter.

The application could then be forwarded to the Agent of Dominion Lands who would take steps to secure the necessary corroborating evidence.

Yours faithfully,

April I took it to an lawyer who will take out the necessary Letters of Administration in Alberta as we can inherit our father's interest in our brother, William M. As soon as we get these papers we will forward them to your Department.

Dear Sirs:

Referring to your letter of March 21st., directed to Miss Jessie Houston of this City, we beg to advise you that Letters Probate of this Estate have been granted in the Province of Ontario, and we are taking the matter up for the purpose of having the same granted in the Province of Alberta, and as soon as same have been returned, the matter will be given prompt attention.

If anything is required in the mean time, we would ask you to be good enough to let us know so that there will be no chance of anyone taking advantage of any technicality. This we are asking as it takes considerable time to get word back from Calgary and it would require an additional length of time in order for Letters Probate to be granted.

Referring to your letter of the 6th ultimo, addressed to the Agent of Dominion Lands at Calgary, in which you state the father of the late William Houston is also dead and that the estate falls to the three sisters of the late entrant, I beg to inform you that it will be necessary for the latter to furnish the Department with Letters of Administration for the unadministered portion of the estate of the late William H. As cancellation proceedings are at present pending against the homestead entry, it would be advisable that the required document be furnished here with the least possible delay. Sir,-

With reference to your telephone message respecting the entries of the late William E. Houston, covering Section 8, Township 21, Range 6, West of the 4th Meridian, I may say that in so far as the South African Volunteer Scrip entry for the West half of this section is concerned there does not appear to be any consolidation proceedings outstanding against the same and no action may be taken by this Department within a reasonable period with a view of disturbing the entry in order that the legal representatives of the estate will be given the opportunity of filing Letters of Administration De Bonis Non and establishing the duties performed in connection with this parcel of land.

In so far as the East half of this section, the homestead and pre-emption entries, are concerned, I may say that declarations have been received in the Department from Messrs. Arthur E. Robinson, F. E. McIntyre and Harry Robert, from which it appears that the required duties in connection with the

the homestead have been fully performed, but in view of the fact that these declarations have not been filed by the legal representatives of the estate, the Agent at Clagary is, by copy of this letter, being requested to have a Homestead Inspector visit the lands and report fully as to the duties performed in connection therewith.

When the Inspector's report comes to hand the matter of abandoning the cancellation proceedings will then receive consideration.

The aforesaid Agent has already been requested not to take final action with a view of cancelling any of the entries referred to without receiving specific instructions from this Department.

A copy of this letter is also being forwarded to Messrs. Houston & Clark, Barristers, Chatham, Ontario, for their information.

The Minister:

Application for patent now under consideration in both cases. Our Inspectors have been unable to obtain definite information. It would seem advisable to hold investigations under oath in both cases. We should commence cancellation proceedings on head office authority, if same has not already been started, so that we will be able to take prompt action in the event of the investigation disclosing anything that would warrant cancellation.

MEMORANDUM:

Commissioner

/

Submitted in connection with Sup. Inspector's case.

Mr. Hume:

Application for patent of Mr. H. Gardhouse, for W.½ 5-9-5, the S.E.¼ 12-, and S.E.¼ 14, of 10-1- W. 1st m. Ent recommended. C.of I. required. Cancellation proceedings outstanding 7th October, 1916.

16-7-17. This case made application for patent and claims residence as shown on form 46.

There is considerable doubt as to the residence claimed prior to 1913 as the Homestead Inspector reported on the 8th August, 1913, that there would be could locate "There has been no residence duties performed as there is no home." He again reported on the 21st October, 1912, and states;

"There is a building 12 x 28 on the S.E.¼ of Sec. 14, which I took to be horse stable and if Mr. Gardhouse performed any residence it was in this building with the horses. The homestead regulations does not call for a stable and in many cases the homesteader builds a stable, keeps his horses in one end while he lives in the other, sleeps on the hay, and in this way claims he is performing residence duties which applied in this case."

On the 28th October, Homestead Inspector Ritter obtained a couple of months' residence during the winter of 1912, and his inability to obtain accurate information.

On the 24th September, 1913, Inspector Scullion reported regarding the patentee, that he was unable to secure proof of residence in the vicinity of this land as to the residential duties which have been performed, as Mr. Gardhouse was going to and fro, this locality, at Mr. [illegible] lands he owned in the vicinity of Milan. Because of this he never resided a full 6 months in any one year on the lands in question.

The case is submitted for patent on the proof filed. I would refer to the Inspector's report which is to the effect that the patentee resided in the municipality for [illegible] but that the full information required it would appear that

S.A.V.L.L. Scrip of Mrs. B. Gunthner.
Your ref. 2041.

I beg to return you herewith the application for patent for the above land, wherein Mrs. Gunthner claims practically the minimum amount of residence and cultivation required during the years 1913, 1914, and 1915.

I note on going through the papers on file that Homestead Inspector Ouellette, on the 24th ultimo, reported that from information obtained, one of the witnesses to the application for patent, Mr. George Kennet, had agreed with Mrs. Gunthner to purchase the land when she obtained patent, and that the other witness, Mr. C. Adam, was a brother-in-law of Mr. Kennet.

Encl.

In view of this report, it will be necessary to have the Homestead Inspector go carefully into this question of the agreement to purchase the land arranged between Mr. Kennet and Mrs. Gunthner. The Inspector should interview both witnesses and obtain declarations

from

from them as well as declarations from parties in the vicinity.

If the Inspector finds that these parties are interested in the land, he should take fresh witnesses and should also forward a sworn declaration from Mrs. Gunthner that she entered into the agreement with Mr. Kemmet without any intention to defraud.

It will also be necessary for the Inspector to go carefully into the question of residence in view of the statements contained in his report of the 6th July 1915, crediting Mrs. Gunthner with residence during parts of the year 1912 and 1913 and from October 1914 to March 1915.

Kindly have the Inspector investigate this case at the earliest possible date.

Memorandum.

Mr. Rowe,

Application for patent of Mrs. Elizabeth Gaetzner, for the N.½ 14-18-1-W.4th M. Swift Current Location.
- Not Recommended -

Mrs. Gaetzner made application for patent on the 17th May, 1916, and claimed six months residence in lieu of three years, also the required amount of cultivation.

The Agent enclosed a report from Homestead Inspector Ouellette in which the latter stated that he was informed that "Geo. Kennett one of the witnesses to the application for patent has an agreement to purchase the said land from the applicant when she received patent, and that Geo. Adam, the other witness, is a brother-in-law of Kennett, in that case I would consider them interested parties."

In view of the Inspector's information, the Agent was requested to instruct the Inspector to go carefully into the question of agreement to purchase the land arranged between Mr. Kennett and Mrs. Gaetzner, and also obtain declarations from both witnesses and from parties in the vicinity.

In March, 1917, a petition was received from Persons residing in the vicinity of the above land, requesting that inquiries be made to ascertain whether Mrs. Gaetzner has fulfilled the requirements of the Act. And certifying that Mrs. Gaetzner has not within the last three years resided on the said land for a period of three weeks.

The Homestead Inspector's report has just come to hand, dated the 6th instant, and he states that the applicant has put in cultivation [illegible] and that the permanent improvements that would amount to [illegible] years. The entire acreage of a [illegible] valued at $[illegible], fencing-wire-valued at $[illegible], [illegible] acres of breaking, 30 acres crossed in the last three years.

The patent issued was [illegible] Inspector [illegible] Gaetzner [illegible] and [illegible] [illegible] [illegible]

enough to be called bona fide residence. The residence claimed from October, 1913 to March 1914; October 1914 to March 1915, and 1st of May 1915 to 1st of June 1915, was performed on her husband's land the S.W.¼ 15.

The Inspector is informed by seven or eight of the neighbours in the vicinity that Mrs. Gunthner has not lived on her own land six months altogether, but they were unable to give sworn evidence, as they claim they could not give the dates. The Inspector was informed by the neighbours that there was some agreement between Mr. Geo. Kemmett and Mrs. Gunthner to purchase the half-section at $2500.00 as soon as she proved up on same. He states:-

"Of course, both Mr. Kemmett and Mrs. Gunthner state positively that there was no such agreement between them, but it appears funny that not only the neighbours living close to the Scrip, but also the neighbours living close to Mr. Gunthner's homestead, which is quite a distance away, should all have the same story, and in each case gives as their authority for such story Mr. and Mrs. Gunthner respectively. I am firmly of the belief that Mr. Kemmett is very much interested in this land, and as Mr. Kemmett and the other witness-Gottlieb Hoffmann brothers-in-law, it is quite easy to understand Mr. Adam being the other witness. Owing to my inability to obtain sworn evidence in this matter, I would very strongly recommend that a Court case be made of the same so that the neighbours- a list of which I can supply if required- will be forced to tell what they know under oath. Mr. Geo. Kemmett told me that he had this land rented from Mrs. Gunthner from the 1st of Nov. 1916, to 1st Nov. 1917, and that his brother, John Kemmett, had rented it from her in the years 1915 and 1916."

Please say what action.

General Remarks (continued):—

and from Oct., 15th 1914 to March 15th 1915, and from May 1st 1915 to June 1st 1915, but this residence was performed on her husband's land which is the S.E. ¼ Sec. 14-15-1-W. 4th M. Therefore, I have given her credit for no residence at all on her own land.

In connection with this I might say that I talked to seven or eight of the neighbours in the vicinity and they all claimed that Mrs. Gunthner had not lived on her own land 6 months altogether, but, it was impossible for me to get statutory evidence on the matter as they all said that they could not give data as to the little time she was there. But, even Mr. Geo. Kennett, who is one of her witnesses, admitted to me that Mrs. Gunthner lived on her husband's land (mentioned above) during the winter of 1914 and 1915, but positively refused to give a sworn statement about the matter.

It is common talk among the neighbours that there was some understood agreement between Mr. Geo. Kennett and Mrs. Gunthner that he would give her $2,500.00 for this half section of land just as soon as she proved up the same, and Mrs. August Knodel told me that Mrs. Gunthner told her that Mr. G. Kennett had made her this offer but Mrs. Gunthner did not say whether she had accepted it or not. Also, Mr. D. Pole who lives on the N.E. ¼ Sec. 2-11-30-W. 3rd Mer. (close to Mr. Gunthner's land in Saskatchewan) states that Mr. Gunthner told him that Mrs. Gunthner was going to sell her scrip to Mr. Kennett for $1,500.00 just as soon as she proved up on this land, but Mr. Kennett and Mrs. Gunthner state positively that there was no such agreement between them, it appears from this that only the neighbours living close to the scrip [illegible] the neighbours living close to Mr. Gunthner's homestead think it [illegible] circumstances, [illegible] all have the same story, and in fact [illegible] of this personally [illegible] Mr. and Mrs. Gunthner themselves.

Dear Sir!

Subject two weeks ago was Hitz
Heather and Elisabeth Fruitvale
at the office of W. F. Martin Justice
and inspector at Calgary Alta. in
matter of S. A. Act for
Elizabeth Fruitvale at S. of N.W. 14. T. 15
R. 1. W. of 4. meridian.
Secretary has sent in a protest against
issuing a patent for the land
for Miss Elizabeth Hitz
Hitz, and he was interpreter for
H. and Elisabeth Fruitvale at
office of the said inspector at
Calgary, and he told me about
matter H. and Elisabeth Fruitvale
testified at Calgary.
Letter of Secretary protest, claiming
that Hitz lived on land for 6 mo.
Hitz is not true, I saw
myself the land with absentee
indian. Martin Hitz entered
the land for abou 1 year

1913. for Grace, in 1914. 1915 and 1916.
my brother John Clement rented it
1917 I rented it again the same as
this year, I never intended to buy the
land, my intention is to sell my
own land, because we lost our
crop in 1914. 1917 from not this year
raising at all. Clement is no water
at his place. I got it for the water
for 6. years 3/4 miles from my house
and I has spent more than $1200.00 for
wells and I only got dry wholes
in the ground and no water.
I intend to go to Pearl River St. Tammany
where there is plenty water.
I was witness for Elizabeth Guentus
for the when she put in the application
for patent and what I stated is
the and correct.
I told all this facts to several of
the land inspectors, the my land
need it in the reports the my land
not.

Sia of the men who has protested and claimed, W. and Elisabeth Guenthner was not on the land the man was not on the land, them man west in Alaska and Flat Alta. 49 miles from the land the winters.
Thee man was in S. Dak. and N. Dak, and one in Wisconsin U. S. A. the same time when W. and E. Guenthner was on the land.
Who ovrled th claim and protest and say W. and E. Guenthner lot lived on the land?

I am convinced W. and E. Guenthner has done the duties required by law. Gottlieb Adam is no relation, neither to W. and E. Guenthner. So the complaint is a fals statement all together!

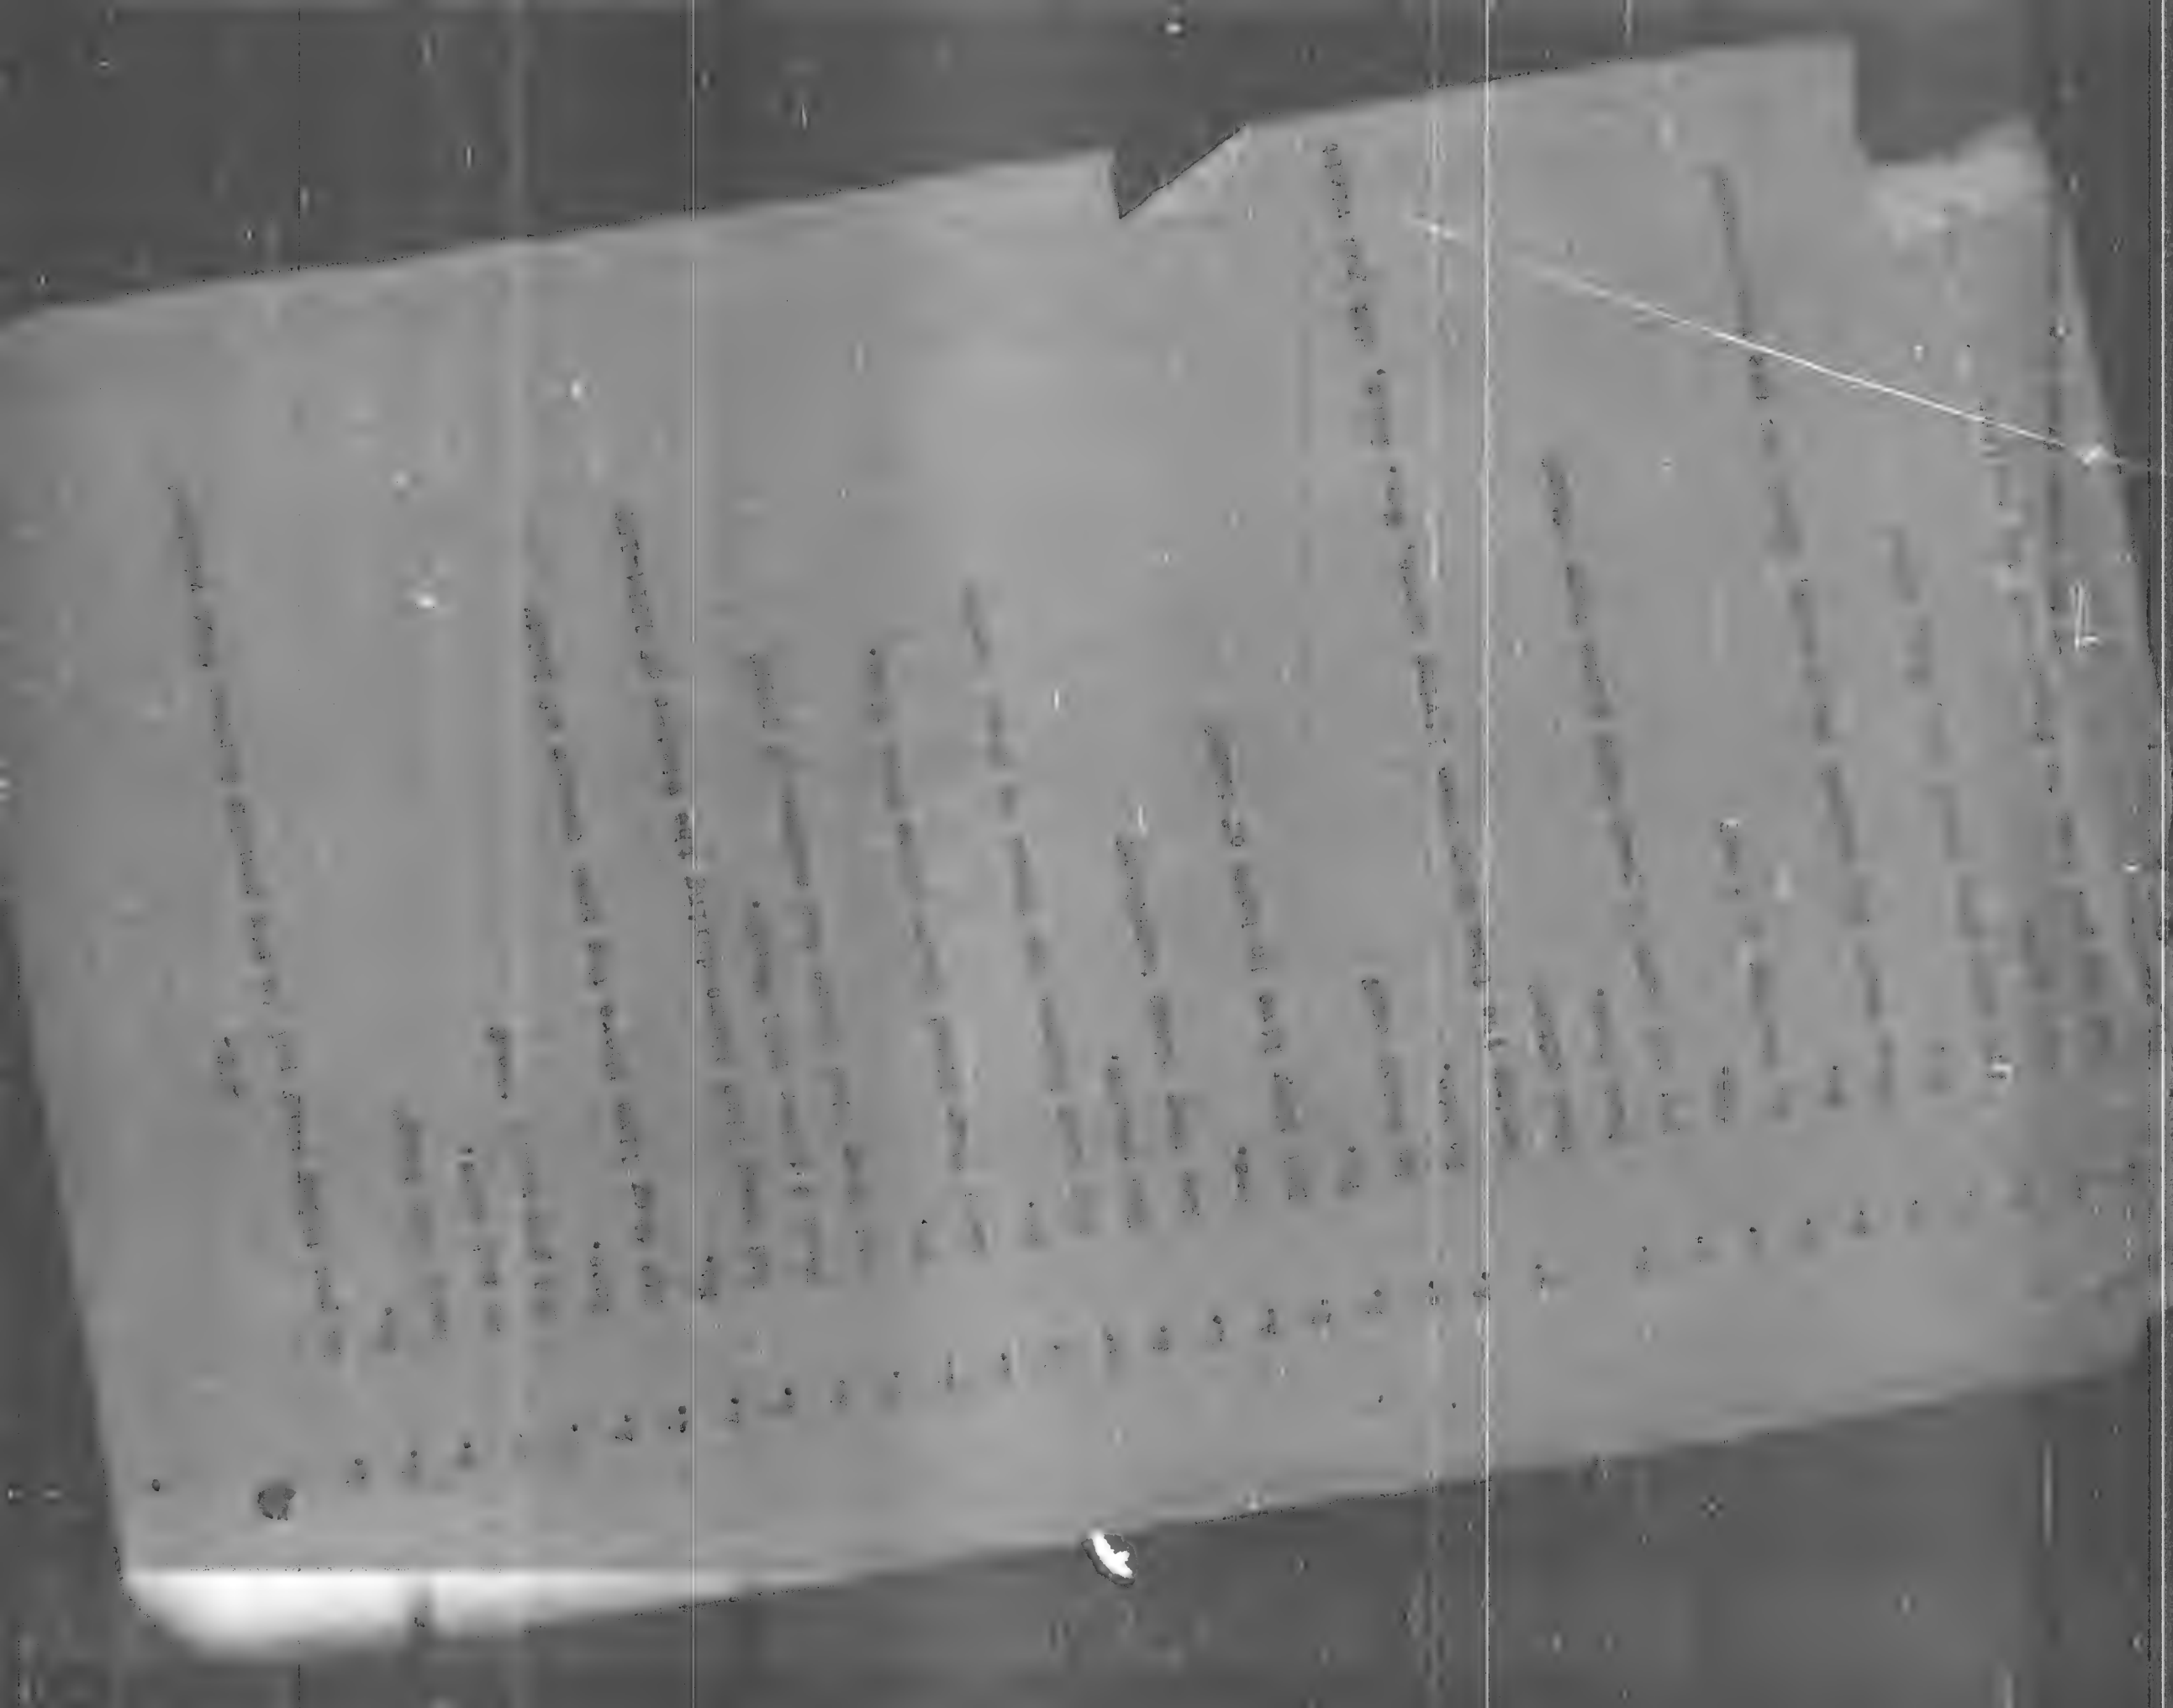
Dear Sir:-

Re S.E. 1/4 of [illegible] 4th. Mer.

I beg to acknowledge receipt of your letter of the 1st of September last, in connection with the above mentioned land,

You will note by this file that it is about 4 years that my application for cancellation for this land was received by your department, Since this time I have made my living by working out always living in hopes that your department would decide one way or the other. Spring is now coming again and naturally I feel that it is time to work on the farm again as it was my intention when coming from the United States. However this matter is dragging such a long time that I would ask you to advise me if there is any chance that my application for cancellation will be considered by your department and that by the opening of spring I will be able to move on to this farm .



The Department has had I believe sufficient time to consider the Free Grant of the right of the entrant and I believe that sufficient proof has been furnished to your department that my application for cancellation was based on absolute facts .

I would also appreciate to know if this land is reserved for soldiers in the event of cancellation. As far as I know the soldier settlement applies only to land within 12 miles from railroads. The land in question however is 17 miles from the C.P.R. mainline. In any event however you will decide that as my application for cancellation was received prior to the time the reservation of land for soldiers was enacted upon that my claim on case for priority of entry will be considered by your department.

Will you be good enough to advise me at your early convenience in a definite way as to my position in connection with my application.

Re N.½ 15-11-1 W.4th M.
Dist. Alberta Land Dist.
Dist. Alberta Coal Dist.
Homest. entered 4th June, 1912.

This office has received your letter of the 3rd inst. relative to the application of the above-named settler to cancel the entry for the above quarter section, claiming the privilege of the regular settlement duties (cultivation for three years) on account of the fact that he has been returned to the Army at Halifax for the duration of the war.

Different Homestead inspectors have reported in reply to this case from time to time and in every instance it is represented that Mrs. Gardiner was not performing her residence duties in a satisfactory manner. Her own statement to the contrary notwithstanding, it would seem that the little residence which was erected on the land was of very poor material and most primitive construction, and that Mrs. Gardiner, on his own admission, has been living with her husband on the South West quarter of Section 13 and South East quarter of section 14, in the same township.

On behalf of Mr. Gardiner, Mr. [illegible] has submitted a statement setting forth the facts as he understands them, and has also filed a declaration of [illegible] in support of his application.

COMMISSIONER Ottawa, 11th June, 1919.

Re:

Dear Sir,

These two cases were submitted by the Deputy Minister on 11th July, 1917, (Lemarchand Farrell) and in accordance with instructions from the Minister's office, Mr. J. W. Martin, Inspector of Dominion Lands Offices, Calgary, was authorized by order in Council of 17th August, 1917, to hold an investigation under oath, in relation to the performance of settlement duties by Mr. and Mrs. Lemarchand in connection with their respective South African Land Scrip.

Under date of the 22nd ultimo, Mr. Martin forwards results of the investigation held at Lethbridge last. A number of witnesses were called and examined and considerable evidence submitted.

After carefully reviewing the evidence [illegible] the statements, with the exception of [illegible] all statements [illegible] the evidence [illegible] the witnesses [illegible] Vidal [illegible] the [illegible] Lemarchand [illegible] the [illegible] Lemarchand [illegible] Farrell [illegible] Mr. [illegible]

for Soldier settlement be carried out. In the case of the applicant for inspection centre Mr. Buettner's entry, his name "Schlichenmeyer" would indicate that he is of German origin also not probably not eligible under the existing regulations for entry. In the case of Mrs. Gundlach, cancellation proceedings were instituted on behalf of the Department so that there would be nothing to hinder the land being vested for Soldier Settlement if cancellation of the entry is decided on.

It should be noted, however, that this land is not within the Soldier Settlement area, although surrounded on every side, as appears from plan, by land reserved for Soldier Settlement.

A telegram of Dallas re climate in Mr. Buettner is only applications for which will be dealt on the regulations

Memorandum.-

Application of Theodore H. Thompson to secure title to the portions of the S.E. and N.W. quarters of section 6, tp. 30, rg. 21, west 4th. meridian shown on the plan of survey to accompany letter, containing respectively 9.25 acres and 42.5 acres; sketch attached.

The applicant has furnished the Department with a statutory declaration, setting out that the portions above referred to are now dry and cultivable; also with abstracts of title showing himself to be the registered owner of the remainder of the quarter sections. The usual homestead inspector's report called for in this connection has been received. In it the inspector states that there has been no water on the land under consideration for the last five years; also that, in view of the ditches and dam of the Southern Alberta Land Co. draining the flat, he does not consider that there is any danger of this land ever again being flooded.

Mr. Thompson earned homestead patent for the said fractional N.E.¼ of section 6, and I beg to recommend, therefore, that he be now granted supplementary patent for the portions of this quarter section formerly submerged, but now dry land.

The said fractional N.E.¼ of section 6 stands in our records as the patented homestead of Andrew Lahd; but as Mr. Thompson is now the registered owner I beg to recommend that the portion thereof formerly submerged but now dry

Memorandum:-

Re. Fractional S.W.¼ 32, 42, 28, W. 4th M., containing 35 acres, hatched in red on sketch.

In September, 1909, a sale of this parcel was authorised to Mr. Tollef A. Rogner, the homesteader of the S.E.¼ of Section 32, at $3.00 an acre, subject to his obtaining homestead patent.

Mr. Rogner did not at that time avail himself of the permission granted him to purchase the parcel, but in June last he made a payment of $31.35 to the Agent of Dominion Lands at Red Deer on account of the land.

The following report has recently been received from the Homestead Inspector in regard to the parcel in question:-

"This is a very nice piece of land, high and dry, with a very little poplar dotted here and there, and can be brought under cultivation with very little work. It is easily worth $12.00 an acre."

I presume that Mr. Rogner should now be advised that payment must be made for the parcel at the Inspector's valuation of $10.00 an acre.

As the applicant has received patent for the homestead, the said S.E.¼ of Section 32, an Abstract of Title will be required showing him to be still the registered owner of this land.

E. J. Cote, Esq., I.S.C.,
Controller.

MEMORANDUM:

To the Deputy Minister.

The land mentioned in the letter of the 3rd instant from Mr. Browning, Manager of the Alberta Branch of the Canadian Mortgage Association, as having been sold by that Company to Mr. James D. Salmon, is the SW¼-4-16-19-W.4th M., only. Letters-patent for that quarter-section were issued upon the 25th July, 1911 to Arnold Blank. I do not find any reference in any of the letters on file of the sale of the SE¼ of this section by the above named Company to Mr. Salmon, and yet in Mr. Beddoe's memorandum to you of the 10th instant and in the unsigned memorandum bearing initials in pencil I have not been able to make out, of the 13th instant, it is stated that Mr. Salmon is the purchaser from the Mortgage Company of the South half of the Section.

It is as against the SW¼ only that Mr. Browning requests the withdrawal of our liens for $[illegible], $40.00, $49.00 and $15.70 mentioned in Mr. Beddoe's memorandum and in the unsigned memorandum.

However, if the James D. Salmon was executed these liens is the owner of the SW¼-4-16-19-W.4th M., and of the SE¼ of that section if the whole half and not the SW¼ only was sold to him by the Mortgage Company, such liens are

- just -

just as much a charge against these lands as they are against the lands mentioned in the liens.

Section 3 of Chapter 14 of the Alberta Statutes of 1915, is as follows:-

> "The moneys agreed to be paid by any person for seed grain, fodder for animals or other goods by way of relief in consideration of the advance to him by His Majesty the King in the right of the Dominion of Canada (hereinafter called His Majesty) of such seed grain, fodder for animals or other goods by way of relief, together with interest thereon at the rate of five per centum per annum until paid, shall be a debt due by such person to His Majesty and shall be a charge upon any real property of such person and upon any crop of any kind now being or hereafter grown on any land by such person having priority over all other liens, taxes, charges or other encumbrances, whenever created, upon such crop, and so far as such moneys are agreed to be paid in consideration of the advance of seed grain and fodder for animals, having priority over all other liens, taxes, charges and other encumbrances, whenever created, upon such real property; such charge shall be in addition to any other remedy which His Majesty may have to enforce payment of the said amount and shall be capable of enforcement by seizure and sale of the said real property or crop when growing or when cut, under warrant signed by the Minister of the Interior of Canada, (hereinafter called the Minister) or by anyone authorized by him to sign such warrant wherever and whenever any of the said property may be found, and in respect thereof His Majesty shall have and be entitled to all the remedies of a mortgagee in the same manner as if the said amount were secured by a registered charge against the said land or by a chattel mortgage duly filed against the said crop and having the priorities herein set out".

Of course if the Mr. Salmon who purchased the SW¼ of Section 4 from the Mortgage Company is <u>not</u> the James D. Salmon who executed the liens before referred to, these liens should not have been filed against that land and should be withdrawn at once at the expense of this Department as charges against that land.

Application for a compromise settlement has been received from [illegible] acting on behalf of Herman H. Schmidt who has obtained possession of the lands listed above. Sworn has been tendered the sum of Nine hundred and [illegible] dollars and thirty-seven cents ($980.37) as settlement in full [illegible] of the liens.

Herman H. Schmidt purchased these parcels of land from each debtor being [illegible] making payment of the agreed purchase price with no consideration existed for the encumbering liens. In fact he was unaware of the [illegible] Peter [illegible] liens, executing those filed in the name of his father.

Cont'd p. 2.

[illegible] debtors, Thomas Ford, I.B. Brookhouse and Samuel Brookhouse are [illegible] Peter Schmidt was over 74 years of age when he had to give up [illegible] farming in 1947 and had no other means except the proceeds of the sale of his land to provide for his remaining years.

The value of these lands is not great since the average assessment is Nine hundred and forty-eight dollars ($948.00) per quarter and these lands are situated in the drier section of the province.

Negotiations were first started in 1948 by the present applicant for a compromise settlement but due to financial circumstances the best offer he could make was Two hundred and fifty dollars ($250.00) and this was not acceptable. It is due to recent improved conditions than an offer in the above mentioned amount has been made.

In view of these circumstances and the fact that the payment now made, if added to previous payments listed above is sufficient to offset recovery in full of the principal of the advances made, it is my opinion that same should be accepted and I would so recommend.

The allocation of the money would be:

	Dominion Advances	Joint Relief Advances
Thomas Ford	$136.37	$73.75
I.B. Brookhouse	30.90	48.57
Samuel Brookhouse	110.00	[illegible].78
Peter Schmidt	877.27	703.10

I would further recommend that after application is made of the above stated amounts each account be adjusted so that it will stand paid in full and the relative liens be discharged.

Provincial Seed Grain Advances in the following principal amounts have already been cancelled, together with accrued interest.

I.B. Brookhouse	$81.98
Samuel Brookhouse	1,113.21
Peter Schmidt	1,[illegible]7.39
Total	2,[illegible]8.38

The Agent of Dominion Lands at Lethbridge has forwarded a Homestead Inspector's report indicating that Samuel Brookhouse is now residing at 1246 Burnaby Street, Vancouver, British Columbia, and the General remarks state as follows:

"There was 1850 bu. threshed on this land last season; also 1850 bu. on the S.½ of this Section. Mr. Brookhouse received 1/5 of the crop. There is 9½ acres in crop on the S.½ this season. I think that a seizure be made of his share of the crop. J. D. Erickson is cultivating these lands."

Application for a compromise settlement has been received from solicitors acting on behalf of Herman H. Schmidt who has obtained possession of all lands listed above. There has been tendered the sum of Nine hundred and eighty dollars and thirty-seven cents ($980.37) as settlement in full and discharge of the liens.

Herman H. Schmidt purchased these parcels of land from each debtor listed above, making payment of the agreed purchase price with no consideration being allowed for the encumbering liens. In fact he was unaware of the existence of these liens, asserting those filed in the name of his father, Peter Schmidt.

Cont'd p. 2.

- 3 -

The debtors, Thomas Ford, I.R. Brockhouse and Samuel Brockhouse [illegible] deceased. Peter Schmidt was over 70 years of age when he had to give up active farming in 1947 and had no other means except the proceeds of the sale of his land to provide for his remaining years.

The value of these lands is not great since the average assessment is nine hundred and forty-eight dollars ($948.00) per quarter and these lands are situated in the drier section of the province.

Negotiations were first started in 1948 by the present applicant for a compromise settlement but due to financial circumstances the best offer he could make was the hundred and fifty dollars ($150.00) and this was not acceptable. It is due to recent improved conditions than an offer in the above mentioned amount has been made.

In view of these circumstances and the fact that the payment now made, if added to previous payments listed above is sufficient to effect recovery in full of the principal of the advances made, it is my opinion that same should be accepted and I would so recommend.

The allocation of the n may w uld be:

	Dominion Advances	Joint Relief Advances
Thomas Ford	$136.37	$73.75
I.R. Brockhouse	30.90	62.57
Samuel Brockhouse	110.00	[illegible].78
Peter Schmidt		703.10
	277.27	

I would further recommend that after application is made of the above stated amounts each account be adjusted so that it will stand paid in full and the relative liens be discharged.

Provincial Seed Grain Advances in the following principal amounts have already been cancelled, together with accrued interest.

I.R. Brockhouse	$61.9[illegible]
Samuel Brockhouse	1,113.21
Peter Schmidt	1,357.39
Total	2,532.5[illegible]

DOMINION LANDS DIVISION
JUL 29 1929
OTTAWA.

September 13th 1929.

Sir,-

I have to inform you that the S.W. ¼ Sec. 19 Tp. 57 Rge. 10 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Sir,-

W.½ Sec. 14 Tp. 52 Rge. 8 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.
